## Why take RTM?

*“Do not conform any longer to the pattern of this world, but be transformed by the renewing of your mind.” - Romans 12:2*

“Be transformed by the renewing of your mind.” God begins the transformation at conversion and that process continues the rest of our lives. Learning the lifelong process of renewing the mind is the focus of *Renewing the Mind*.

Scripture reveals over and over how important are the motives and beliefs in the heart and mind and how these must be changed. The principles taught in RTM are especially valuable in moving into our deep heart and challenging those thoughts that lead to irrational behavior, to shame, and to “do that which we do not want to do” (Romans 7:19).

This course provides times of teaching, reflection, exercises, practice, and prayer. Call the Lazarus Center for the next class date.

## Who and what are involved?

*Renewing the Mind*, developed by Equipping Ministries International, Inc. Provides practical steps for overcoming negative habits and emotions by replacing destructive thinking with biblical truth. RTM is an integration of principles of cognitive therapy and Scriptures, with reliance upon the Holy Spirit to both reveal lies and truth to us and to provide the power of transformation.

In RTM one learns to look at the ABCD’s of an emotion – the activating event, belief system, consequential feelings, and demonstrator (reactions) that are all tied together. We learn to “untangle” these, to examine underlying beliefs, and to review those that cause difficulty.

The class is held on two Saturdays and is taught by various leaders and lay people who are trained in pastoral care or have taken the 18-month Reflective Pastoral Training & Care class which The Lazarus Center offers.
